On October 12, 2023, respondent filed a Vaccine Rule 4(c) report concluding that petitioner suffered an injury that is compensable under the National Childhood Vaccine Injury Act of 1986, as amended, 42 U.S.C. §§ 300aa-1 to -34, that is, a shoulder injury related to vaccine administration (“SIRVA”), as defined in the Vaccine Injury Table. *See* ECF No. 33. Accordingly, on the same day, the Chief Special Master issued a Ruling on Entitlement. ECF No. 34.

Evidence supplied by petitioner documents that she incurred past unreimbursable expenses related to her vaccine-related injury. Respondent proffers that petitioner should be

C. Medicaid Lien

Respondent proffers that petitioner should be awarded funds to satisfy the State of Massachusetts Medicaid lien in the amount of **\$9,937.56**, which represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action the State of Massachusetts may have against any individual as a result of any Medicaid payments the State of Massachusetts has made to or on behalf of petitioner from the date of her eligibility for benefits through the date of judgment in this case as a result of her alleged vaccine-related injury suffered on or about November 20, 2019 under Title XIX of the Social Security Act.

The above amounts represent all elements of compensation to which petitioner would be entitled under 42 U.S.C. § 300aa-15(a). Petitioner agrees.

II. Form of the Award

The parties recommend that compensation should be provided to petitioner through two lump sum payments described below, and request that the Chief Special Master's decision and the Court's judgment award the following:<sup>1</sup>

- A. A lump sum payment of **\$127,506.03** in the form of a check payable to petitioner; and
- B. A lump sum payment of **\$9,937.56**, representing compensation for satisfaction of the State of Massachusetts Medicaid lien, in the form of a check payable jointly to petitioner and:
